Download the application form from our website or by visiting our campus, a processing fee or form fee shall be applicable.

STEP 2

Visit our campus! Once you have visited us and you are interested in and are satisfied that we could offer the quality of education you seek for your child, you may fill in the application form and submit along with copies of following:

- a) Birth Certificate & Form-B from NADRA.
- b) Family Registration Certificate from NADRA.
- c) Child Vaccination Card
- d) CNIC of Mother and Father
- e) Family Photograph
- f) Two colour photographs in white background of applicant (Size 1.5" X 1.5")

Note: You need to submit the application in person.

STEP 3

Once we have received your application with complete documents, we shall arrange an appointment of you (includes both parents) and applicant with the Resident Director or Principal, during this time you need to come with the original documents where your child will be subject to a test by one of our lead teachers.

Once we have a mutual understanding we will proceed with preparation and handing over of the admission papers. This may be done same day of submission or may even take a week. For some reason we have to discuss matters relating to admission we may call for a second interview.

STEP 4

First day at Mont: The Montessori begins with a familiarization session. This session is to introduce the child to his/her Lead Teacher and the Montessori environment. Therefore, shorter than usual hours will commence for a few days until the child is as comfortable as possible in the Montessori. When the Lead Teacher is confident that the settling-in-period is completed, regular hours may begin which shall be duly notified.
